

Brownsville Chamber of Commerce Community Calendar Application

It's no myth that for the past few years Brownsville has grown by leaps and bounds. As our community grows so does the activity. The Chamber in partnership with Cardenas Development Company, has implemented Brownsville's own Online Community Calendar.

Because you are a Chamber member you will be able to take advantage of placing your organizations activities on our web based Community Calendar for FREE. **You will be able to utilize the calendar as soon as you call Rachel Reyes at 542-4341 for your login and password or fax this application to 504-3348.**

Here's How It Works...

- 1) The organization registers with the chamber by filling out the short application below. The Chamber then assigns a login and password. (For Chamber members we have already entered your information below. If it is not correct please let us know by calling 542-4341 or faxing the corrections to 504-3348.)
- 2) Once you have the login and password you may go online 24/7 to add or update your events. The organization simply completes an online form that automatically enables them to access a secured (Add Event) area on the Chamber website. The website address is www.brownsvillechamber.com then click on calendar of events. Once on the calendar of events page click on add/edit events.
- 3) You will then come to a login page. Enter your login and password.
- 4) You then add your event information, which is automatically put into a holding file. We will provide instructions after you have called in for your login and password.
- 5) Once a day, or more often, the Chamber will review the holding file and approve the events that will to go online.

Organization: (Required)	Expiration Date:
Address: (Required)	Phone: (Required)
City: (Required)	State: Zip:
Organization Representatives Name: (Required)	Fax: (Required)
Website Address:	Email Address: (Required)
